# 15<sup>th</sup> edition GOPIO International Conference

PIO's Dialogue with India @ 27 Jan 2019

Venue : Pravasi Bharatiya Kendra, New Delhi.

Theme : New GOPIO Policies to accommodate the new global environment

GOPIO is currently a huge global Social Capital that can be further developed to accommodate the substantive global transition.

a) New Trends in global migration to developed economic countries and the relative migration from India.

b) Impact of migrants in the socio economy of the countries where they are now settled.

c) A GOPIO Council will accommodate a larger number of PIO NGOs and cover a large portion of the PIO global Community. The current interest in the Diaspora is much broader than during the early development of GOPIO (1990s). Universities and Institutions are incorporating PIO Diaspora Departments and Centres. Country based local NGOs are now much more receptive for International PIO networks.
